Dear GSDAA Member,

Thank you for your commitment to this vital organization and to the Georgia School for the Deaf. We appreciate your support and the good work you do to promote GSD and help with the needs that arise. Our alumni are precious to us, and we are grateful for your continued presence here as partners in our work, and as role models for our students in language, culture, and life.

This letter is also to remind you that GSD recognizes only the GSDAA as our alumni association. Any other groups that have formed are unofficial and unsanctioned by GSD, so be cautious about joining or contributing to these organizations. Please share this message with other alumni, as they may think that these organizations are connected to GSD.

Again, thank you for your contributions to our school and our students.

Sincerely,

A handwritten signature in black ink that reads "Leslie D. Jackson". The signature is fluid and cursive, with the first letters of each name being capitalized and prominent.
